STEP-BY-STEP GUIDELINE: HOW TO SUBMIT AN ABSTRACT FOR THE FEMS 2019 CONGRESS

Before starting the submission process

Prepare your abstract of maximum 250 words (excl. title) and insert it into the template, which can be downloaded [here](#).

Submitting an abstract

1. Login to the system using the provided link. You will be asked to enter your e-mail, name, affiliations and contact details to create a profile. NB! You may already have a profile as the system is used for many scientific conferences. In this case use the same password as you have done previously or ask for a new password.
2. After completing your profile, click the button saying "Abstracts"
3. Choose "Submit an abstract" if you wish to submit a new abstract, or "View my abstracts" if you wish to see your already submitted abstracts. Please note that no changes can be made online to already submitted abstracts
4. Upload your abstract. The system checks:
 - a. if you have used the template. If not, the template can be downloaded on the page.
 - b. the number of words used.Click "Next".
5. Enter the abstract title.
6. Choose the presentation type you wish to submit for: poster presentation, e-poster presentation or oral presentation.
Click "Next"
7. Add the authors of the abstract.
You can choose yourself by clicking "I am an author" and add more authors by typing the e-mail addresses of the authors.
Click "Next"
8. Presenting author / speaker: Add the presenting author by choosing "I will be the speaker" or choose a speaker from the list of authors by clicking "Choose a speaker".
Click "Next"
9. Category: Choose the category that fits the content of your abstract best.
Please note that you may be moved to another category if the reviewers have reason to place specific abstracts together.
Click "Next".
10. Conditions: Please answer all questions regarding publication of abstracts on the page by answering "Accept" or "Reject".
